*Cold Case Squad* Edna Buchanan, 2004-06-15 Like all things good and bad in the world it began with a woman And so begins the first chapter of Edna Buchanan's *Cold Case Squad* a new suspense novel that features a special homicide unit that breathes new life into old cases A man and a woman are shot dead at a strip club in Miami Beach A few hours later an explosion in a garage rocks a child's birthday party and burns a father of three to death The murders go unsolved and the fire is chalked up to an accident But was it an accident Twelve years later a blonde walks in to the Miami Police Department's Cold Case Squad which Buchanan fans will remember from *The Ice Maiden* and complains that she's been seeing her husband everywhere she goes Trouble is he's been dead for twelve years In Buchanan's characteristic voice Some guys just don't know when to let go As the Cold Case Squad unearths the details of the strip club deaths and the dead or missing father as well as the unsolved killings of a series of little old ladies readers get to know the three cops and their boss veteran homicide detective Sergeant Craig Burch whose marriage has turned into a case he can't solve Detective Sam Stone for whom the past will always be a mystery Detective Pete Nazario airlifted out of Cuba during Operation Pedro Pan in the 1960s and Lieutenant K C Riley for whom one case will never grow cold Edna Buchanan has been thrilling readers since her Pulitzer Prize winning stint as a crime reporter for *The Miami Herald* *The Chicago Tribune* once raved that few writers can touch Buchanan to which *The Washington Post Book World* seemed to respond I doubt if anyone else is doing it better In *Cold Case Squad* Edna Buchanan the woman the *Los Angeles Daily News* calls the Queen of crime delivers unlikely killers near perfect murders and her most suspenseful novel yet *The Murder Book* Lissa Marie Redmond, 2021-07-01 In this exciting and atmospheric second entry of this Cold Case Investigation mystery series Detective Lauren Riley is determined to bring the attacker that left her for dead to justice even if it is a fellow police officer Cold Case Detectives Lauren Riley and her partner Shane Reese are helping the Homicide Squad after a murder earlier in the day left the department short staffed As their shift ends Reese leaves Lauren alone only for her to be savagely beaten and stabbed from behind minutes later Lauren didn't see her attacker but knows it was a fellow police officer from the city issued boots she glimpsed as she passed out Stolen during the attack is the *Murder Book* which contains evidence on all active cold cases Without the book old homicides became almost impossible to track down Who in police headquarters would try to kill a fellow officer Why'd they suddenly want the *Murder Book* Although hurt and on enforced leave nothing will stop Lauren from seeking answers but who on the force can she trust and how safe is she within her own home *Cold Cases* James M. Adcock, Sarah L. Stein, 2014-10-29 Because the investigation of cold cases is usually an arduous and time consuming task most law enforcement agencies in the United States are not able to dedicate the resources necessary to support the cold case investigation process However when those cases are fully pursued and prosecuted they often result in convictions and lengthy prison terms *Cold Cases Evaluation Models with Follow up Strategies for Investigators Second Edition* saves law
