

A promotional image for the TV show 'Cold Case' featuring the five main cast members standing in a dimly lit, blue-toned storage room filled with metal shelving units and boxes. The cast members are arranged in two rows: three men in the back and two in the front. The woman in the front center is looking directly at the camera with a serious expression. The title 'COLD CASE' is overlaid in large, white, bold, sans-serif capital letters at the bottom center of the image.

Cold Case Tv Com Episode Guide:

Valedictory Richard Stein, 2016-03-24 When Jonah Aaron graduated from Nashvilles Academic Magnet High School he was voted the most interesting member of the class of 1997 His classmates predicted that he would become a CIA operative and that he would be bringing the best looking woman in the room to the tenth year reunion Twelve years later Jonah is married to screenwriter Elana Grey once known as the hottest young redhead in country music But instead of the CIA Jonah has become a partner in Brandenburg and Aaron Entertainment and a producer of television shows and independent films Jonah skipped the tenth year reunion and never even bothered to investigate when the valedictorian of his senior class was murdered shortly after graduation But now Jonah has two reasons to investigate the crime he feels sorry for the victims brother and he thinks that the investigation may lead to a script for the highly rated comedic drama police procedural which is a cornerstone of his production company **Focus On: 100 Most Popular Television Series by Warner Bros.**

Television Wikipedia contributors, **Round Up the Usual Suspects** Raymond Ruble, 2008-12-30 TV shows that retain their popularity over the years do so for obvious reasons good production values good acting and compelling storylines But detective stories in particular also endure because they appeal to the gumshoe in all of us America is obsessed with crime solving Nancy Grace on CNN Headline News Greta Van Susteren on Fox and the seemingly annual recurrence of the courtroom sensation all testify to this fact And these people and cases are able to reach their phenomenal status not simply because of the media the media only demonstrates the enormous national appetite for this material Rather Cold Case CSI and Law Order have achieved their current popularity because they all respond to the same national craving for crime and do so with great skill and creativity Round Up the Usual Suspects provides a comparison of the crime fighting models and justice proceedings of each of these TV series Each series has its own special crime fighting niche and each approaches its job with a different set of values and different paradigms of discovery and proof Their separate approaches are each firmly grounded in different components of human nature analytical reasoning for instance in CSI memory in Cold Case and teamwork in Law Order After examining each of the individual series in depth Ruble goes on to investigate some of the historical antecedents in classical TV detective series such as The FBI and Dragnet It is interesting to note that these crime fighting methodologies are extensions of the way we all process information about the world Ray Ruble here aims to increase our appreciation for the ingenious manner in which fictional cases are broken and convictions convincingly secured and also illuminates the deeper human elements that lie under a more implicit spotlight in these runaway hits **TV Guide** ,2007

Research on Technology in English Education Carl A. Young,Sara Kajder,2013-03-01 This book brings together the voices of leading English Education researchers who work to offer views into the changing landscape of English as a result of the use of digital media in classrooms out of school settings universities and other contexts in which readers and writers work But as in most useful texts the purpose is more nuanced and far reaching than simply offering a glimpse into where we currently find ourselves as a field In sum the collection brings together and interweaves what we are coming to know and understand about teaching English within a shifting digital landscape as well as the implications for teacher education and the discipline of English Education specifically The intended audience for this particular book is English educators doctoral candidates in the field of English education researchers and scholars in the field and English language arts teachers
