

## POETRY

When I bent down to tie my shoes  
And beg a squirrel to eat grass.  
Looking up, a dog on the run,  
A grandma with a cart,  
And Italians clicking dominoes  
At a picnic table—men  
Of the old world, in suits big enough  
For Europe. I approached  
Them like a squirrel, a tree  
At a time, and when I was close  
Enough to tell the hour from their wrists,  
One laughed with hands in his hair  
And turned to ask my age.  
"Twelve," I said, and he knocked  
My head softly with a knuckle:  
"Lucky number, Sonny." He bared  
His teeth, yellow and crooked  
As dominos, and tapped the front ones  
With a finger. "I got twelve—see."  
He opened wide until his eyes were lost  
In the pouches of fat cheeks,  
And I, not knowing what to do, looked in.

### DESIRE

It's easy to hunger.  
One day, a night,  
And there you are,  
Sunlight between fingers,  
And you looking in  
Trees. Birds are  
Striking fruit,  
An almond open  
Like a woman's love,  
And a single feather  
Rocks downward in air.  
I'm hungry now.

*A Study Guide for Gary Soto's "Mother and Daughter"* Gale, Cengage, 2018-09-13 A Study Guide for Gary Soto's Mother and Daughter excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **Learning to Enjoy Literature**

Thomas M. McCann, John V. Knapp, 2021-07-01 Students will not become enthusiastic readers of literature from a teacher simply assigning reading tasks and assessing the completion of the tasks especially when the assessment takes the form of threatened quizzes Instead as this book shows teachers have an obligation to reveal to learners the procedures that skilled readers follow as they work with and enjoy literature and a further obligation to help learners to recognize some value in tackling complex works of literature **Chicano Representation and the Strategies of Modernism** Ramon Garcia, 1997

**The Literacy Gaps** Ivannia Soto-Hinman, June Hetzel, 2009-08-11 The book makes a contribution to the education of English language learners It provides practical instructional suggestions for teachers of both ELLs and SELs that are informed by a deep understanding of theories of second language and second dialect acquisition and the development of reading and writing proficiencies Guadalupe Vald's Professor of Education Stanford University The concepts of gaps and bridges are clearly articulated up front and provide a well structured theme that unites the various parts of the text The use of this structure provides a logical and coherent mechanism for providing a complete picture of the problem the literacy gap between ELs and native speakers and a means for addressing this problem Kristina Anstrom Senior Research Scientist The George Washington University Center for Equity and Excellence in Education Build bridges of support so English language learners can learn alongside their peers English language learners ELLs and standard English learners SELs face multiple gaps as they strive to achieve so educators need to take a holistic comprehensive approach to bridge those gaps and meet the needs of ELLs and SELs in the classroom Based on an original well researched framework this much needed resource provides practical strategies for supporting learning and success for ELLs The authors provide strategies examples and classroom tools to address The gap between students and texts covering word recognition background knowledge comprehension and academic language development The gap between students and teachers including socio cultural differences between teachers and students and teacher perceptions and expectations The gap between students and their peers discussing language proficiency differences grouping strategies and grade level and schoolwide programs The Literacy Gaps helps educators give ELLs the skills they need to close the most important gap of all the achievement gap **Ideas in Literature** John R. to date and diverse perspectives on children's literary criticism. *A Companion to Children's Literature* offers students and scholars studying children's literature education and youth librarianship an incisive and expansive collection of essays that discuss key debates within children's literature criticism. The thirty-four works included demonstrate a diverse array of perspectives from around the world, introduce emerging scholars to the field of children's literature criticism, and meaningfully contribute to the scholarly conversation. The essays selected by the editors present a view of children's literature that encompasses poetry, fiction, folklore, nonfiction, dramatic stage, and screen performances, picturebooks, and interactive and digital media. They range from historical overviews to of the moment critical theory about children's books from across the globe. *A Companion to Children's Literature* explores some of the earliest works in children's literature, key developments in the genre from the 20th century, and the latest trends and texts in children's information books, postmodern fairytales, theatre plays, and more. This collection also discusses methods for reading children's literature from social justice critiques of popular stories to Black critical theory in the context of children's literary analysis.

**Spirituality in Young Adult Literature** Patty Campbell, 2015-06-24. In a time when almost any gritty topic can be featured in a young adult novel, there is one subject that is avoided by writers and publishers: Faith and belief in God. Faith and belief in God seldom appear in traditional form in novels for teens. The lack of such ideas in mainstream adolescent literature can be interpreted by teens to mean that these matters are not important. Yet a significant part of growing up is struggling with issues of spirituality. The underlying problem, of course, is that there are so few writers who are willing to talk to teenagers about God, even indirectly, or who themselves have the religious literacy for the task. *Spirituality in Young Adult Literature: The Last Taboo* tackles a subject rarely portrayed in fiction aimed at teens. In this volume, Patty Campbell examines not only realistic fiction but young adult literature that deals with mysticism, apocalyptic end times, and even YA novels that depict the Divine Encounter. Campbell maintains that fantasy works are inherently spiritual because the plots nearly always progress toward a showdown between good and evil. As such, the author surmises that the popularity of fantasy among teens may represent their interest in the mystical dimensions of faith and the otherworldly. In this study, Campbell examines works of fiction that express perspectives from Christianity, Judaism, Islam, Buddhism, Hinduism, and Sikhism. Distinguished YA novelist Chris Crowe provides a chapter on Mormon values and Mormon YA authors and how their novels integrate those values into their books. By looking at how spirituality is represented in novels aimed at teens, this book asks what progress, if any, has been made in slaying the taboo. Although most of the books discussed in this study are recent, an appendix lists YA books from 1967 to the present that have dealt with issues of faith. A timely look at an important subject, *Spirituality in Young Adult Literature* will be of interest to young adult librarians, junior and senior high school teachers, and students and instructors of college courses in adolescent literature as well as to parents of teens. *The Washington Post Index*, 1989.
