Descent Second Edition:

The Role-Playing Society Andrew Byers, Francesco Crocco, 2016-03-01 Since the release of Dungeons Dragons in 1974 role playing games RPGs have spawned a vibrant industry and subculture whose characteristics and player experiences have been well explored Yet little attention has been devoted to the ways RPGs have shaped society at large over the last four decades Role playing games influenced video game design have been widely represented in film television and other media and have made their mark on education social media corporate training and the military This collection of new essays illustrates the broad appeal and impact of RPGs Topics range from a critical reexamination of the Satanic Panic of the 1980s to the growing significance of RPGs in education to the potential for serious RPGs to provoke awareness and social change The contributors discuss the myriad subtle and not so subtle ways in which the values concepts and mechanics of RPGs have infiltrated popular culture

The Correspondence of Charles Darwin: Volume 23, 1875 Charles Darwin, 2015-12-03 This volume is part of the definitive edition of letters written by and to Charles Darwin the most celebrated naturalist of the nineteenth century Notes and appendixes put these fascinating and wide ranging letters in context making the letters accessible to both scholars and general readers Darwin depended on correspondence to collect data from all over the world and to discuss his emerging ideas with scientific colleagues many of whom he never met in person The letters are published chronologically Volume 23 includes letters from 1875 the year in which Darwin wrote and published *Insectivorous plants* a botanical work that was a great success with the reading public and started writing *Cross and self fertilisation* in the vegetable kingdom The volume contains an appendix on the 1875 anti vivisection debates with which Darwin was closely involved giving evidence before a Royal Commission on the subject

A Calendar of the Correspondence of Charles Darwin, 1821-1882 Frederick Burkhardt, Sydney Smith, 1994-03-10 This Calendar is a catalogue of the letters the editors of the Correspondence of Charles Darwin have found to date Information on the source and location of each letter is given together with a brief summary of the content First published in 1985 the Calendar has been amended to take account of recently discovered material and re interpretations or re dating of known letters A new supplement lists over 1000 amendments to the main body of the text together with over 500 addenda relating to newly discovered material

The Gospel and Letters of John, Volume 1 Urban C. von Wahlde, 2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively
