

Sport day

Last Sunday, my school held its Sports Day. The school field was decorated with colourful flags. The houses were also decorated in their respective colours. The students were in their own houses-colored T-shirts. The students were all busy getting ready for the sports to begin.

The sports began with the march past by the students. All of them looked smart in their houses' colours. The mascot for Green House was a gorilla and it really caught the attention of everyone around. After the speeches, the national anthem was sung.

Then, there were the running events like 100 metres, 200 metres and 400 metres. The most exciting events were of course the relay events among the houses. The supporters were really screaming and shouting for their house teams to win. When their house won, their screams were even louder.

At the end, the winners were given prizes. Green House was the champion. Everyone enjoyed themselves as it was really a grand affair.
