## Designer Tv Guide Covers:

**The Art of TV Guide** Jerry Alten, 2007 Jerry Alten started as Art Director of TV Guide in 1967 and for almost 50 years he engaged the world's greatest illustrators to provide the artwork for the pages of the widest circulated magazine in the world. Unlike TV Guide and other entertainment magazines today, the digest-sized magazine relied almost solely on illustration and in many cases it helped to support the careers of many of the illustrators. Artists ranged from Norman Rockwell to Charles Addams, Edward Gorey to Andy Warhol. Jerry Alten provides a view behind the scenes of a magazine that featured some of America's greatest celebrities, the artists who painted them, and the interesting, highly entertaining, and sometimes outrageous interactions between subject, artist, and art director. The book is also a nostalgic look at the people who helped make the medium what it is today. *Designing Magazines* Jandos Rothstein, 2010-06-29 How does a designer create graphic solutions to the behind-the-scenes editorial challenges at a magazine? *Designing Magazines* is the complete guide to understanding the inner workings of magazines and their day-to-day management and a great guide to using that knowledge to create visually stunning, editorially effective magazines in both new designs and rebranding. Thirty-five experienced editors, designers, and consultants, all at the top of their fields, present their insights on the goals and process of magazine design. Chapters focus on problems faced by designers, ethical considerations, the future of the field, and many more relevant but rarely discussed issues. A look at magazines that have risen above the crowd to achieve special social importance and how design has been a part of that success provides additional inspiration for magazine designers everywhere. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

**44th Publication Design Annual**, 2009 *The Comic DNA of Lucille Ball* Michael Karol, 2005-12 Fifty-five years ago a sitcom called *I Love Lucy* transformed the television landscape and made its leading lady, Lucille Ball, a superstar. No one could have known that Ball, formerly a showgirl, B-movie queen, and radio actress, would become one of the world's most beloved performers and take her place in a rare pantheon reserved for the likes of Elvis, Marilyn, and Chaplin. This book by acclaimed *Lucy* author Michael Karol, *Lucy A to Z: The Lucille Ball Encyclopedia*, *The Lucille Ball Quiz Book*, *Lucy in Print*, examines Ball's impact and dissects what it was and is that makes *Lucy* not only an icon of laughter but a powerful tonic in a troubled world. *The Best in Covers & Posters*, 1984 **TV Guide**, 2002 **Lucy A to Z** Michael Karol, 2004 Praise for the updated 2012 Kindle edition of *Lucy A to Z: The Lucille Ball Encyclopedia*. Very important. Fresh insights. The most detailed and most enjoyable book available on Lucille Ball. A must have. Laura Wagner, *Classic Images*
