

Supplemental Instructions Extension Spring Installation

This is a supplement to the **Residential Garage Door Instructions** (referred to as the **MANUAL**). It covers installation of extension springs (STEP 14 of the **MANUAL**). For all other information and safety warnings concerning your garage door, see the **MANUAL**. Read the information in both manuals before beginning installation.

Please read and understand these instructions completely before proceeding with the installation of extension springs. Carefully follow these instructions to avoid personal injury or property damage.

Use these instructions for extension springs only. Your spring hardware should match the list shown in Table EXT-1. If you are missing any spring hardware, call the Consumer Services 800# found on the front cover of the **MANUAL**.

WARNING

Extension spring doors must never be operated without a properly installed spring containment cable.
