Historically cocktail bitters drinking vinegars and even infused syrups were originally used for curing sickness with high concentrations of beneficial healing herbs and flowers

The slight alcohol base of bitters kept the often fragile ingredients from rotting in the age before refrigeration

Bitters in the modern cocktail bar are embraced as concentrated and sophisticated flavor agents although they are still used in holistic healing by herbalists

Shrubs add both tart and sweet notes to a craft cocktail or mocktail They sate your hunger and quench your thirst while stimulating digestion and good health of the gut
