Alice Mims, 2018-09-02. This book contains helpful information about saving money and how you can easily begin having more in your account at the end of each week. The majority of people in today's society struggle to save. We all seem to want the newest and the best even if we can't afford it. Credit cards and loans are leading people to financial ruin and even worse, schools aren't teaching us how to save properly either. In this book, we will cover simple steps that will help you begin saving and change your attitudes to money in the process. Money is an abundant resource and we need to realize there is plenty to go around. Once you have some savings, it's easy to turn it in to more and more money in a short time. Whether through a business, real estate, stock market or some other form of investing, you can make a lot more money once you have some initial savings. Here you will learn the skills that will have you successfully saving and if you follow the steps laid out in this book, you will be one step closer to financial freedom. This book will explain to you tips and techniques that will help you successfully reduce your expenses and save more of your hard earned cash. I hope this book is able to help you please approach this subject with an open mind and I urge you to give these steps a go. **Turning a Negative into a Positive:**
