Goal: to describe problems caused by culture shock

Daily English

Get Yourself Ready

Lily is an exchange student from China, who has just started studying in America. Today her university mentor, Alison, is asking Lily how her first month has been.

Guess:

What kind of problems might Lily have come across?

Let's See What's Happening

Alison: How's everything going for you? *So far, so good?*

Lily: I don't know what to say. It's not good or bad. It's just different from my life back in China.

Alison: I can understand. There's quite a lot for you to **take in**. Are you coping okay, though?
