*WALNECK'S CLASSIC CYCLE TRADER, JANUARY 2008* Causey Enterprises, LLC,      **Murder Imperfect** Neal  
Sanders,2009-12-30 You can call this a confession if you must Last year I murdered my husband I did it with malice  
aforethought a premeditated cold blooded killing No On second thought let s not call this a confession A confession implies  
acknowledgement of guilt or remorse I don t feel the least bit guilty and I certainly have no remorse The bastard got what he  
deserved With these words Kat a well to do suburban housewife with a flexible definition of morality launches into her story  
She has found ample evidence that her securities analyst husband George is cheating on her But she has also discovered  
something else George has squirreled away millions of dollars in secret accounts violating every law in the SEC handbook  
Claiming those assets in a divorce would alert authorities to George s crimes and the resulting punitive fines might well wipe  
out their net worth As Kat puts it The notion of George in prison was not so satisfying that I was willing to become poor  
George s death becomes Kat s goal and she carries out what she believes is the perfect murder with careful attention to  
detail But she hasn t counted on a debonair district attorney with his eyes on higher political office an aggressive SEC lawyer  
chafing because George died just as he was to be brought in for questioning or an ambitious mistress with her own agenda  
Funny irreverent and introspective **Murder Imperfect** traces Kat s tale through a roller coaster of financial shenanigans ex  
lovers and courtroom dramatics If the essence of suspense is not whodunit but rather will they get away with it **Murder**
