well and it's fun to have the insight. Before long I found myself submerged in this world and I feel like I could never get enough. The book wrapped up nicely but had a sort of cliffie if that makes sense. Wind brilliantly ties up the most immediate issues but makes it clear there's more to come. I don't want to spoil anything so you'll have to either take my word for it or read it see for yourself. Beautifully done as someone with a very visual mind I was treated to stunning landscapes and basically traveled in time and space. I could read this book over and over again. I just finished reading *Goddess* and WOW I received my Advanced Review Copy ARC yesterday and I couldn't put it down. I felt as if I was actually part of what was happening. This book pulls you in right from the beginning and keeps you on the edge of your seat. I really liked the inclusion of the Navaho Nation. I am hooked. If you are looking for a new author this one is golden. **WARLORD: Arrival** David Wind, 2020-11-10.
