details inside **Easter for Progressive Christians** DONALD. SCHMIDT,2020-01-13 When it comes right down to it the Bible doesn't really tell us much about resurrection This is hardly surprising because the gospel writers are trying to make sense of a story that well doesn't really make sense at least not to a rational mind This has led people to a variety of positions that roughly fall somewhere between two extremes Of course Jesus never rose from the dead people don't do that Anyone who says so is crazy or Jesus rose physically from the dead and appeared to lots of people and you must believe this or you are going to hell While most people lie somewhere between these two positions they may not be sure just where exactly nor are they always sure that they are allowed to be where they think they are To put that another way many people who understand themselves to be Christian struggle to accept the idea that Jesus physically rose from the dead but are afraid to say so This guide does not set out to prove or disprove that Jesus physically rose on Easter Sunday Instead it invites participants to engage with the biblical stories of Christ's resurrection to try to understand what the gospel writers meant to tell us what they wanted us to take from these stories After all they did not set out to prove a point of history they wrote them down because these stories had transformed their own lives and the lives of many others at the time Hopefully reading and exploring these stories can enhance our lives too Ultimately how we experience Christ today is what matters not what might have happened 2 000 years ago **Easter Experience Participant's Guide** City on a Hill,2009-02 Paint yourself into the story and transform Easter into a truly life changing experience Once you experience the story of Easter absolutely everything in your life changes The Easter Experience is a unique DVD driven study which brings the passion and resurrection of Jesus to life through dramatic storytelling and challenging teaching The participant's guide to The Easter Experience small group DVD follows the six 20 minute episodes providing additional information discovery questions and tips for helping your small group grow spiritually and bond with each other as well as with the eternal message of Easter Also available are the Easter Experience Church Program the Easter Experience Small Group DVD and the Easter Experience Ministry Devotional
