Blackbird A Sometimes Never Novella English Edition:

Sometimes Never Cheryl McIntyre, 2012-12-18 Hope didn't have the best role model when it came to relationships. She's content with her current no strings attached extracurricular activity with the lead singer of her band. She's never believed in love and commitment. Mason starts his eighth school in five years, anticipating nothing more than the usual boring classes, fighting more than making friends, and girls happily willing to succumb to his easy smile. He's never put much stock into love at first sight until he sees her. Regardless of their painful pasts, Hope and Mason discover that sometimes never can become forever.

Infinitely Cheryl McIntyre, 2014-06-30 Love has no time limit. For Briar Gallo, her lifelong best friend Benji was more than the boy next door. He was her first everything: her first friend, her first kiss, her first love, and her first heartbreak. The day Benji left was the worst day of her life. Until the day he came back, Benjamin Borelli always knew he'd find a way back to Briar; he just couldn't foresee the devastating circumstances that would pave his way home. A lot has changed in the three years since he's left. Benji is no longer the sweet, easygoing kid he once was. A lifestyle of drugs and violence has hardened him, leaving him hollow and despondent. But his feelings for Briar have always been his one constant. When a series of wrong choices and bad decisions force Benji to flee back to his childhood home, he knows he has to clean himself up and straighten out the mess he's made before he'll be worthy of Briar again. The only problem with his plan: there's no outrunning the danger of his past. With the threat so close to home, he must do whatever it takes to protect the girl he's always loved, no matter the risk. Due to harsh language, violence, drug use, and sexual situations, this book is recommended for 17.

A Gift from Fate Cheryl McIntyre, 2018-11-13 A blizzard the night before Christmas Eve. A handsome stranger on the side of the road in need of a ride. A lonely girl with nowhere to go. It sounds like the beginning of one of those Hallmark movies I used to watch over the holidays with my mom. Except those movies always have a happy ending, and mine probably won't. My storybook life collapsed five years ago, and now I'm just trying to stay one step ahead of my past. It's exhausting. And lonely. I'm sick of running. I'm sick of hiding. So when my grateful passenger offers me a quaint place to wait out the storm and the chance to experience a real Christmas again, I accept. Because who am I to turn down a gift from fate.

Blackbird (a Sometimes Never Novella) Cheryl McIntyre, 2013 Sometimes never is a distorted perception. I love you, Hope. And I'm not the only one I know you care about me. I see it in your eyes. I feel it. Everybody needs love. Everybody. And some people need it more than others. You're a liar if you say you don't. I'll do that for you. I'll love you. All you have to do is let me. Sometimes Never. What happened in the years between the final chapter and epilogue of *Sometimes Never*. *Blackbird* is an 18,000-word novella that continues Mason and Hope's story as they finish high school, start separate colleges, and confront their demons. Though *Blackbird* can be read on its own, it is better enjoyed after reading *Sometimes Never*. Recommended for 17 due to harsh language and some sexual situations.
