Bonds That Break The Havoc Chronicles Volume 3:

Redemption Ilene Grydsuk, 2025-03-21 Everett's impossible choice sets off a chain reaction that alters everything. She has unwittingly provoked malevolent forces intent on exploiting human frailties, launching a bold assault on her family, her future, and the fate of humanity itself. Sandra Steele cannot accept that her daughter has succumbed to a retributive protocol. Her suspicions are confirmed when she uncovers Everett's link to Jacob Domanso and confronts his parents. Maureen Domanso, a top aide to Dr. Draeger, the notorious leader of the new administration, claims Everett's death was due to the virus, just as her own son's disappearance remains a mystery. Maureen is certain Draeger is behind it all, but how and why? United by the mysterious losses of their children, Sandra and Maureen join forces to take Draeger down. In a frantic race against time, Everett saves Jake's life, only to realize her return to the beginning is permanent. She grapples with the fallout of her decision as a volcanic eruption decimates the garden. From one crisis to another, it becomes clear that these events are far from natural, pushing them to the limits of their endurance. The pair receives a glimmer of hope when Everett is sent back to rescue Pedro Ramon from Dr. Draeger's clutches. Together, the three stand against the beast threatening to obliterate the beginning while their families struggle to keep the Biodome intact under Draeger's oppressive regime. The power of love and hope are put to the ultimate test in this monumental clash between good and evil. *The Commercial and Financial*
