Dygard, 1993 Joe Mitchell is Hillcrest High's star quarterback When he and his three football friends first agree to attend the same college next year and keep the backfield intact it seems like a terrific idea to Joe So what if the only school offering all four of them football scholarships is small and little known Ryder State College At least he'll get to play winning ball with his friends for four more years But as the football season progresses a college scout from big league Randolph University appears in the stands to watch Joe play Then a sportswriter credits him with almost single handedly carrying Hillcrest High to its victories and letters from top football schools start coming in Now Joe begins to wonder if his decision to go to Ryder State just to stick with his friends was too hasty and whether just maybe his first loyalty should have been to his potential But what can he do about it now a promise is a promise right Exciting you are there football action and compelling conflicts on and off the field make Backfield Package an undisputed winner *Book Review Digest*, 1917 *Strays* Thomas A. Marks, 2012-09-07 Mat's plan obtain a PhD the union card needed to do research find a cure for cancer then humbly accept his Nobel Prize However circumstances profoundly influenced this plan After losing his funding in cancer research as a result of political infighting Mat took a position in the blossoming field of toxicology an outgrowth of the fears surrounding synthetic chemicals Although successful in this area Mat found it difficult to accept that synthetic chemicals or pharmaceuticals were responsible for most human cancers and birth defects Along the way he became involved with reproductive and other health problems in dogs and other domestic animals Determining the cause of these problems led to difficulties with the powers that be and loss of his job **American Physical Education Review**, 1927 Includes abstracts of magazine articles and Book reviews *Purple, Green and Gold*, 1928 *Saturday Review of Literature*, 1926 *The Horn Book Guide to Children's and Young Adult Books*, 1992 *Time* Briton Hadden, Henry Robinson Luce, 1929 *Collier's*, 1900 **The Louisiana School Review**, 1909 *New York Herald Tribune Book Review*, 1962-08 *New York Times Saturday Review of Books and Art*, 1934 *The World Review*, 1928 **Books in Print**, 1994 **Books for You** Leila Christenbury, 1995 An annotated bibliography of fiction and nonfiction books of interest to high school students Includes author title and subject indexes **Literature for Today's Young Adults** Kenneth L. Donelson, Alleen Pace Nilsen, 1997 With 140 fewer pages than the fourth edition the fifth obviously has been tightened it's partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it

seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today s writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature Sally Estes
