We do not have to let go of one sense of God to take up another. Neither do we need to go about challenging old metaphors. What is crucial is to find a metaphor or two or six that creatively point toward what we believe. From Chapter 1, let Carolyn Jane Bohler inspire you to consider a wide range of images of God in order to refine how you imagine God to have and use power and how God wills and makes divine will happen or not. Wonderfully fresh and down-to-earth, Bohler uses playful images, moving stories, and solid scholarship to empower you to break free of old habits and assumptions, whatever your faith tradition. She encourages you to explore new names for God that are not only more consistent with what you believe but will also deepen and expand your experience of God.
