The 360 Degree Leader John C. Maxwell, 2005. In his nearly thirty years of teaching leadership, John Maxwell has encountered this question again and again: How do I apply leadership principles if I'm not the boss? It's a valid question that Maxwell answers in *The 360 Degree Leader*, voted best business book of the year by Soundview Executive Book Summary subscribers and 2006 recipient of their Harold Longman Award. In this award-winning book, Maxwell asserts that you don't have to be the main leader to make significant impact in your organization. Good leaders are not only capable of leading their followers but are also adept at leading their superiors and their peers. Debunking myths and shedding light on the challenges, John Maxwell offers specific principles for Leading Down, Leading Up, and Leading Across. 360 Degree Leaders can lead effectively regardless of their position in an organization. By applying Maxwell's principles, you will expand your influence and ultimately be a more valuable team member.

*Leadership Through People Skills* R. E. Lefton, Victor Buzzotta, 2003-09-08. The pioneers of the Dimensional Model for managerial behavior demonstrate how to master skills that boost productivity. Robert Lefton and Victor Buzzotta, cofounders of Psychological Associates, have revolutionized managerial procedure with their Dimensional Model, a behavioral standard that has been adapted and imitated by companies all over the world. *Leadership Through People Skills* outlines this model as the authors explain in detail how people skills work and provide exercises designed to improve them. They also offer strategies for using these skills in the right situations at the right times in the right ways with direct reports, peers, and bosses. Managers will learn how to improve their sizing-up skills, interacting effectively through appropriate action, communication skills, strategies for finding out what others are thinking, motivational skills giving people a compelling reason to do their best, adaptive skills fitting actions to the people for whom they are intended.
