Book Truth About The Jews:

Revealing the Secrets of the Jews Jonathan Adams, Cordelia Heß, 2017-04-24 This book presents the most recent scholarship on the sixteenth century convert Johannes Pfefferkorn and his context Pfefferkorn is the most famous of the converts from Judaism who wrote descriptions of Jewish ceremonial life and shaped both Christian ideas about Judaism and the course of anti Jewish polemics in the early modern period Rather than just rehearsing the better known aspects of Pfefferkorn's life and the controversy with Johannes Reuchlin this volume re evaluates the motives behind his activities and writings as well as his role and success in the context of Dominican anti Jewish polemics and Imperial German politics Furthermore it discusses other converts who similarly revealed the secrets of the Jews and contains detailed studies of the campaigns against the Talmud and other Jewish books as well as the diffusion of Pfefferkorn's books and other anti Jewish writings throughout early modern Europe Revealing the Secrets of the Jews thus presents new perspectives on Jewish

Christian relations the study of religion and Christian Hebraism and the history of anthropology and ethnography **The Mystery of the Jews** Alan W. Hayden, 2021-12-20 A relatively small group of people by the world's standard yet Jews have created an enormous contribution of products and services for the benefit of all mankind that in many cases have exceeded the accomplishment of many of the larger countries Yet notwithstanding their tremendous accomplishments and their emphasis on peace among all nations the Jewish people are the most vilified and hated people on earth The voting records of the United Nations European Union and the Arab League have consistently voted against Israel in an overt anti Semitic way Even the Roman Catholic Church and the influential members of the U S State Department have proved hostile over the years You will also find large international corporations and American and European Church groups that are members of the BDS Boycott Divestiture and Sanctions movement against Israel including the anti Zionists Why is this How can a small tiny nation of about seven million people covering a geographical area of about 10 000 square miles possibly compete and survive against such might odds The mystery of the Jews and why they have been persecuted for centuries makes for a compelling story that will stimulate your soul bring tears to your eyes and yet at the same time inspire you by the ability of the Jews to survive all their trials and turmoil The author's research into the deep past unravels many unknown facts that provide the reader with a front row eye witness account of a unique story unequalled in the history of man
