Meeting of Standards of Excellence in Teaching

In my professional opinion, Professor Sample demonstrated to me that he met all of the following standards for excellence in teaching, with those goals demonstrated in italics, along with comments as needed:

6.1.2.1. *A thorough and current command of the subject matter, teaching techniques and methodologies of the disciplines one teaches.*

6.1.2.2 *Sound course design and delivery in all teaching assignments – whether program or General Studies, introductory or advanced offerings — as evident in clear learning goals and expectations, content reflecting the best available scholarship or artistic practices, and teaching techniques aimed at student learning.*

6.1.2.3. *The ability to organize course material and to communicate this information effectively. The development of a comprehensive syllabus for each course taught, including expectations, grading and attendance policies, and the timely provision of copies to students. Note: I cannot comment on the timely provision of a syllabus to students.*
