Cookie Monster Footed Pajamas:

Apple Pie Promises Hillary Homzie, 2018-10-02 Lily has lived with her mom since her parents got divorced several years ago and her dad has recently remarried to a woman with a daughter her age named Hannah. But now Lily's mom has gotten a once in a lifetime work opportunity in Africa and she'll be gone for a year so Lily is moving in with her dad and new stepmom and new stepsister. It'll be as easy as apple pie, right? Wrong. Lily promises her dad that she'll try to get along with everyone, but she is not happy about it. Her stepmom is nice, but she's no replacement for her real mom, and Lily feels like she barely gets any one-on-one time with her dad anymore. The real problem, though, is Hannah. What starts out as tension between the new stepsisters becomes a full-on war both at home and at school. Harmless pranks turn into total sabotage. Can Lily survive the year, or is her family fractured beyond repair?

Hold On, But Don't Hold Still Kristina Kuzmic, 2021-02-09 Delivering inspiration and parenting comedy at its finest, here is one woman's story of ditching her fairytale dreams and falling in love with her unpredictable, chaotic, imperfect life. From the author of *I Can Fix This*, Kristina Kuzmic has made herself a household name speaking directly to mothers from the trenches of parenthood via her viral videos and social media presence. She is now bringing her message of self-acceptance, resilience, and joy to book readers. With a refreshingly unpretentious, funny, and galvanizing voice, Kuzmic goes behind the scenes to reveal how she went from broke and defeated to unshakably grounded and brimming with thankfulness. Illuminating the hard-won wisdom from a life always spent one step behind, whether it was as a high school student new to America, a suddenly single mother to two kids, remarried and juggling two teens and a toddler, or the unexpected recipient of Oprah's attention and investment, *Hold On But Don't Hold Still* is the book every mother needs to reassure her that she's not only fine just as she is, but that she already has more tools and support than she can possibly imagine. Sparkling with wit, this heartfelt memoir is like a long coffee date with a best friend or the eleventh-hour text message that gives you just the boost you need to get through the night. *The Huffington Post*
