

# BOOK OF BLOGNOTS, NOT BLOGS

Lee Sinclair

The most incredible thing has happened. I  
accidentally stumbled across THE secret of  
the universe which explains EVERYTHING.  
It's so amazing that no one will believe it  
unless I can prove it. I'm going to write it  
down so it can't be lost. Or if anything  
happens to me, I can bury it two  
feet east of my house in a sealed  
container to protect it. Big M is helping  
me dig the hole.

entirely Thus this book aims to reveal to you exactly what the big money bloggers really do which is exactly what I do Make no mistake about it most who get into blogging are totally clueless in the area of monetization and fail to make their blogs profitable And since that is the reality of things your competition is low if you do things right the way I illustrate in this book In fact you ll never need to pick up another blogging book again after this book is through with you because you ll know exactly what you need to do to monetize your blog Trust me on this this book is the best blogging book you will ever read on blogging and it will show you a very true very straight forward map to ensuring that you get paid from your blog The only way you can fail is by not implementing the method that I teach so be sure to not just read this book passively and actually implement the method that I m teaching you as I m absolutely certain that it will take your blog to the next level
