The Lame Beggar Healed
3 Now Peter and John were going up to the
temple at the hour of prayer, the ninth
hour. 4 A lame man was being
carried there daily as the gate of
the temple called Solomon's Port.
5 He was about 40 years old. 6 Every
day he asked the people for alms.
7 When Peter and John were going up to the
temple, they saw him lying down.
8 Peter said to him, "Look at us." And he
looked at them. 9 Then Peter said to him,
"I have no silver and gold, but what I do
have I give to you. In the name of Jesus
Christ of Nazareth, rise up and walk!"
10 And he took him by the right hand and
raised him up, and immediately his feet and
ankles were made strong. 11 And, leaping
up, he stood and began to walk, and
praised God with a loud voice, saying,
"This is what I did for you, O Lord, and
you have healed my lame feet."

Conversations With The New Testament Learning Church:

Conversations with the New Testament John Holdsworth, 2014-11-30 The Learning Church series offers a range of brief and accessible introductions to the key themes of Christian discipleship and theology. *Conversations with the New Testament* introduces the major themes and critical issues of the New Testament in a way that relates them to current experience, context and culture. The starting point is the reader's own experience and engagement with Scripture in a variety of different contexts.

The Conversations of Jesus Simon J. Kistemaker, 2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today. In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels: Peter, Nicodemus, Mary the Samaritan, the leper, even Judas. Professor Simon J. Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus. In *The Conversations of Jesus* he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ. Readers will find much in common with these first-century people, including their feelings of inadequacy, confusion, and joy at meeting the Savior. Ideal for laypersons and pastors, *The Conversations of Jesus* helps readers strengthen their walks with Christ as they learn about others who have walked this path before.

Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups Richard Sogunle, 2022-08-01 In my many years of attending Bible study, I have found that many who attend barely grow beyond the level of being fed the word of God. Many are stocked in the level of milk without the capacity to handle the solid word of God. The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today. Every good shepherd desires that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine. However, due to various environmental and organizational challenges, a small group Bible study setting may be lacking in many churches. The members may attend worship services on Sunday and other times and listen to the pastor's sermon day after day but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding. This book is designed to challenge believers in reading a passage of the Scripture and equip them with spiritual warfare weapons in memory verse during each Bible study session. The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic. The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting. The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living. **Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups** is a must-have handbook for pastors, leaders of various Christian fellowship groups, and believers that will love to grow in their Christian walk.

Pagan Christianity? Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning? Why do we dress up for church? Why does the pastor preach a sermon each

week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again
