Cooper Harper Sloan,2018-05-03 Do you take me seriously Because I don t I use my jokes and easygoing personality to hide the pain I ve felt since he took his last breath I m adrift without my partner in crime my best friend my brother I can taste the vengeance just within my grasp Until she barges into my life Promising me happiness and a peace I ve been craving for years She is the sun to my darkness the happy to my despair But she holds secrets Just like I do She holds hers close where I just pray mine don t rock the walls we re trying to build Now I m stuck at a crossroads between my desire for revenge and my craving for her and the life we could have together and I have no idea which road I should travel All I know with crystal clear certainty is that the past has the power to destroy it all
