If I... I Will Debbie Covington, *If I I Will* is a story of suffering and faith to God **What's a Girl to Do?** Janet Folger, 2009-05-27 Things to Do with Your Ex Boyfriend's Shirt A Return it cleaned and pressed in time for his next date B Sew it into a pillow to cry on C Use it to clean out the crud in your refrigerator If you chose option C this book is for you With quick wit and refreshing honesty Janet Folger will make you laugh and cry sparing you the usual Christian singles saccharine Enjoy a fun and lively chat with a girl who knows your struggles You're alone now like me Janet says because God has something critically important He wants you to do right now Single people could very well be the most effective members of God's kingdom so Satan gets them to believe they're forsaken by God But it's a lie This is an honest encouraging and hilarious chat with a woman who knows single people's struggles Folger's witty insights will clear readers' minds of the lies that destroy their happiness and freedom as single women all the sooner to find what God has for them to do right now You'll be encouraged as you pursue the rich surprising life God made you for Story Behind the Book Writing a book about dating just isn't my thing Not my area of expertise Not my focus But then I started thinking about it Maybe I have learned some things Maybe I could add something useful to the mix that hadn't been said already So I emailed my agent to say I would consider it Then I broke up with my boyfriend When my agent telephoned to ask why I hadn't responded to his emails the call went something like this You can forget about the book I can't even write a pamphlet How in the world am I supposed to give advice when I can't handle my own love life In his pep talk my agent told me the thing I have going for me is honesty He told me to picture myself in a coffee shop catching up with friends trading stories binding each other's wounds laughing refocusing and re-emerging as the women God wants us to be So I did Healing the Wounds of Sexual Addiction Mark Laaser, 2009-05-26 Hope real hope for recovery is within reach This book goes beyond cliché answers and offers meaningful spiritual and practical steps to healing and freedom from sexual addiction or any addiction With today's rampant availability of Internet pornography sexual addiction has become a national epidemic that affects an increasing number of Christians even pastors and priests As devastating as any drug habit it brings heartbreak and despair to those it entangles But there is help for men and women caught in sexual addiction's downward spiral This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation Speaking from his own experience with sexual addiction and recovery Dr Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness He traces the roots of the problem discusses its patterns and impact and maps out a biblical approach to self control and sexual integrity Whether you know someone with a sexual addiction or struggle yourself *Healing the Wounds of Sexual Addiction* points the way to understanding wholeness and holiness Spanish edition also available previously titled *Faithful and True Rhetoric, History, and Women's Oratorical Education* David Gold, Catherine L. Hobbs, 2013-05-02 Historians of rhetoric have long worked to recover women's education in reading and writing but have only recently begun to explore women's speaking

practices from the parlor to the platform to the varied types of institutions where women learned elocutionary and oratorical skills in preparation for professional and public life This book fills an important gap in the history of rhetoric and suggests new paths for the way histories may be told in the future tracing the shifting arc of women s oratorical training as it develops from forms of eighteenth century rhetoric into institutional and extrainstitutional settings at the end of the nineteenth century and diverges into several distinct streams of community embodied theory and practice in the twentieth Treating key rhetors genres settings and movements from the early republic to the present these essays collectively challenge and complicate many previous claims made about the stability and development of gendered public and private spheres the decline of oratorical culture and the limits of women s oratorical forms such as elocution and parlor rhetorics and women s responses to rhetorical constraints on their public speaking Enriching our understanding of women s oratorical education and practice this cutting edge work makes an important contribution to scholarship in rhetoric and communication

Flowers,2012-04-09 The debate over women s roles in the Southern Baptist Convention s conservative ascendance is often seen as secondary to theological and biblical concerns Elizabeth Flowers argues however that for both moderate and conservative Baptist women all of whom had much at stake disagreements that touched on their familial roles and ecclesial authority have always been primary And in the turbulent postwar era debate over their roles caused fierce internal controversy While the legacy of race and civil rights lingered well into the 1990s views on women s submission to male authority provided the most salient test by which moderates were identified and expelled in a process that led to significant splits in the Church In Flowers s expansive history of Southern Baptist women the woman question is integral to almost every area of Southern Baptist concern hermeneutics ecclesial polity missionary work church state relations and denominational history Flowers s analysis part of the expanding survey of America s religious and cultural landscape after World War II points to the South s changing identity and connects religious and regional issues to the complicated relationship between race and gender during and after the civil rights movement She also shows how feminism and shifting women s roles behaviors and practices played a significant part in debates that simmer among Baptists and evangelicals throughout the nation today *Small Press Record of Books in Print* Len Fulton,1993 Family Fusion Janie Jarvis,Richard Jarvis,2003
