Artist Within Betty Edwards, 1986-01-01 **Drawing on the Artist Within** Betty Edwards, 1997 *New York Magazine*, 1989-12-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Way We're Working Isn't Working** Tony Schwartz, Jean Gomes, Catherine McCarthy, 2010-05-18 This book was previously titled Be Excellent at Anything The Way We're Working Isn't Working is one of those rare books with the power to profoundly transform the way we work and live Demand is exceeding our capacity The ethic of more bigger faster exacts a series of silent but pernicious costs at work undermining our energy focus creativity and passion Nearly 75 percent of employees around the world feel disengaged at work every day The Way We're Working Isn't Working offers a groundbreaking approach to reenergizing our lives so we're both more satisfied and more productive on the job and off By integrating multidisciplinary findings from the science of high performance Tony Schwartz coauthor of the 1 bestselling The Power of Full Engagement makes a persuasive case that we're neglecting the four core needs that energize great performance sustainability physical security emotional self expression mental and significance spiritual Rather than running like computers at high speeds for long periods we're at our best when we pulse rhythmically between expending and regularly renewing energy across each of

our four needs Organizations undermine sustainable high performance by forever seeking to get more out of their people Instead they should seek systematically to meet their four core needs so they re freed fueled and inspired to bring the best of themselves to work every day Drawing on extensive work with an extra ordinary range of organizations among them Google Ford Sony Ernst offset emotionally draining experiences with practices that fuel resilience move between a narrow focus on urgent demands and more strategic creative thinking and balance a short term focus on immediate results with a values driven commitment to serving the greater good At the organizational level he outlines new policies practices and cultural messages that Schwartz s client companies have adopted The Way We re Working Isn t Working offers individuals leaders and organizations a highly practical proven set of strategies to better manage the relentlessly rising demands we all face in an increasingly complex world Be Excellent at Anything Tony Schwartz,Jean Gomes,Catherine McCarthy,2011-02 Offers strategies for enabling sustainable high performance by systematically investing in employee health and happiness citing the vulnerabilities of common business practices while offering examples of effective leadership Dando Vida A Desenhos - Volume 1 Walt Stanchfield,2013-04-03 Discover the lessons that helped bring about a new golden age of Disney animation Published for the first time ever Drawn to Life is a two volume collection of the legendary lectures from long time Disney animator Walt Stanchfield For over twenty years Walt helped breathe life into the new golden age of animation with these teachings at the Walt Disney Animation Studios and influenced such talented artists as Tim Burton Brad Bird Glen Keane and John Lasseter These writings represent the quintessential refresher for fine artists and film professionals and it is a vital tutorial for students who are now poised to be part of another new generation in the art form Written by Walt Stanchfield 1919 2000 who began work for the Walt Disney Studios in the 1950s His work can be seen in films like Sleeping Beauty The Jungle Book 101 Dalmatians and Peter Pan Edited by Academy Award nominated producer Don Hahn who has prduced such classic Disney films as Beauty and the Beast and The Lion King *Artist Within* Whitney Ferre,2008-10-24 If you can spill paint this book will help you turn your creative potential into reality Whether you are looking to be a writer architect entrepreneur painter or business leader developing creative ideas is the factor that differentiates the extraordinary from the common Based on principles that underlie the aesthetics of design this book shows you how to strengthen your own creative ability and how to turn that ability into reality So if you ever felt that you have creative potential or even if you don t but you want to be more creative pick up this book and start unlocking your own Artist Within **The WomanSource Catalog & Review** Ilene Rosoff,1995 Development Practitioners and Social Process Allan Kaplan,2002-04-20 This book explores the practice of organisation development and group change in a way that will appeal to anyone involved in working towards social transformation Drawing on extensive experience gained through many years of process consultancy within the development sector mainly in Africa and Europe as well as on the work of Goethe and Jung Allan Kaplan presents a radically new approach to the understanding of organisations and communities and to the practice of social development Challenging

the tendency to reduce development to a technical operation that attempts to control Kaplan's approach embraces the full complexity of the process of social transformation. He describes the terrain of social change whilst simultaneously providing exercises through which practitioners can enrich their abilities to respond to the mix of chaos and order which characterise social development. Exploring this delicate balance, Kaplan inspires a sense of responsibility and possibility for the discipline and reveals how development groups can intervene in social situations in a manner that is both humane and effective. *The New York Times Book Review*, 1986.
