Street Improvement Capital Projects Fund and Governmental Activities at the Government-wide Level

During late 2022, the voters of the City of Smithville authorized tax-supported bond issues totaling \$9,000,000 as partial financing for projects to construct the extension of two streets and the related curbs, culverts, and storm sewers in the city. The estimated total cost of the projects, which are expected to extend over the next three years, was \$11,200,000. In addition to the bond financing, voters also approved a special 1 cent sales tax to assist in financing the projects. The sales tax begins January 1, 2023 and will continue for seven years. The sales tax is projected to generate \$380,000 each year.

Cash in the amount of the accrued interest and premium was deposited directly in the Street Improvement Bond Debt Service Fund. Cash in the amount of \$3,000,000 was deposited and recorded in the Street Improvement Fund.

Required: Record these transactions in the Street Improvement Fund and governmental activities journals. In addition to recording the liability for bonds payable in the governmental activities journal, you should record the premium on the bonds payable (credit Premium on Deferred Serial Bonds) and accrued interest on bonds sold (we recommend that you credit Expenses—Interest on Long-term Debt) in the governmental activities general journal for the \$6,250 of accrued interest.)
