*OECD Economic Surveys: South Africa 2022* OECD, 2022-08-25 The COVID 19 crisis has weakened an already fragile economy. South Africa's growth underperformed during the past decade. GDP per capita was already lower in 2019 than in 2008. Unemployment remains high at around 35% and youth unemployment even exceeds 50%. In the meantime spending pressures are mounting to close the financing gap in health infrastructure and higher education.

**OECD Economic Surveys: Brazil 2018** OECD, 2018-02-28 Strong growth and remarkable social progress over the past two decades have made Brazil one of the world's leading economies despite the deep recession that the economy is now emerging from. However inequality remains high and fiscal accounts have deteriorated substantially calling for.

*OECD Economic Surveys: France 2017* OECD, 2017-09-14 GDP is set to grow fairly strongly in 2017/18 supported by private consumption and investment. The labour market has started to improve. However productivity gains are too low to sustain social protection high quality public services and rising incomes in the long run.

**Land Law and the Extractive Industries** Victoria R Nalule, 2021-08-26 This book analyses the nexus between land access and the extractive industries in Africa specifically highlighting the gaps in energy land and mining laws and the practical solutions needed to settle the increasing number of land disputes in resource rich areas. Access to land is essential for the successful operation of energy and mining projects. However there are often social environmental and economic issues associated with acquiring land for these projects. Socially many people are relocated economically local communities are not given adequate compensation.

environmentally pollution negatively impacts on the agricultural and fishing industries relied on by over 80% of the local communities Against this stark background and drawing from the author s fieldwork research this book addresses the important question of whether the different land tenure systems coupled with administration and registration procedures are adequate to address the increasing land disputes in oil and mineral rich African countries **After Piketty** Heather Boushey,J. Bradford DeLong,Marshall Steinbaum,2017-05-08 Are Thomas Piketty s analyses of inequality on target Where should researchers go from here in exploring the ideas he pushed to the forefront of global conversation In *After Piketty* a cast of economists and other social scientists tackle these questions in dialogue with Piketty in what is sure to be a much debated book in its own right **Country Paper of the Republic of Fiji and its and its Economy** ,2018-12-19 Seminar paper from the year 2017 in the subject Economics Other grade 1 7 Wiesbaden University of Applied Sciences language English abstract This country paper will give you an overview of the Republic of Fiji and its economy Due to the fact that it is commonly known as Fiji I will use this name in my paper Chapter two gives you an overview over the country which means some basic facts about Fiji and social issues In the next chapter I wrote about the economic policy which means the fiscal policy as well as the monetary policy In chapter four the macroeconomic situation is described How did the GDP the inflation rate and the unemployment rate develop Chapter five describes the main economic sectors of Fiji how much they contribute to the GDP and how much employment they offer The international economic relations are described in chapter six What kind of commodities does the country export and import And who are the main trading partners The major problems Fiji has to face and the impact of the cyclone Winston are explained in chapter seven *Economic Paper* ,1911 Venezuela.
