Virtuemart 3.4 prepare for the future

This release is now ready for all our VirtueMart users. Due to the wide ranging changes we have made to underlying core functions and the removal of old VirtueMart and Joomla compatibility (which was weighing things down and slowing future developments), we have taken more time putting this release together than usual. Initial feedback from our beta testers has shown us that it has been worth the extra effort and time that it took. Here are some highlights: Improved core - VirtueMart core now...
