Today it's easier than it's ever been to publish something, and everyone has the opportunity to put their work out in the world.

This website is targeted towards first-time authors. I want to help teach you why self-publishing is valuable and how you can take their manuscript and turn it into an eBook to be sold in the Kindle store.

This website includes a brief overview of self-publishing, answers to frequently asked questions about self-publishing, and a detailed breakdown of how to self-publish your book on Amazon including a video walkthrough.
