Community Radio Network Program Guide:

Program Guide United States. President's Committee on Employment of the Physically Handicapped, 1953 Radio and Tv Station Program Guide, 1954 *Program Guide*, 1988 Research in Education, 1974 **Resources in Education**, 1996 Hoosier Guide, 1998 **City Guide USA Web Directory** Bryan Hiquet, Katharine English, 1996 A time saving state by state and city by city guide for business travelers visitors and local residents this book CD ROM package contains comprehensive descriptions of thousands of travel related Web site listings **Online Access**, 1996 Corpus Almanac & Canadian Sourcebook, 1997 **Ulrich's International Periodicals Directory**, 1996 *Network Guide*, 1985 *KUNI FM 91 Program Guide*, 1981 **Broadcasting, Telecasting**, 1957-04 **Broadcasting, Voice, and Accountability** Mark Raboy, Toby Mendel, Monroe E. Price, Seán Ó Siochrú, Kreszentia Duer, Steve Buckley, 2008

Participatory development and government accountability depend in part on the existence of media that provide broad access to information from varied sources and that equip and encourage people to raise and debate issues and develop public opinion Conducive policies laws and regulations are essential for media to develop that are independent and widely accessible and that enable the expression of diverse perspectives and sources of information Broadcasting Voice and Accountability presents a framework to inform analysis of existing policies and support the development of a vigorous media sector with a particular emphasis on broadcasting It focuses on broadcasting because that is the medium with the greatest potential to reach and involve society at large including the most disadvantaged and illiterate segments of society in developing countries Information on good practices in broadcasting policy is in demand in countries of every region particularly in countries that are opening their economies democratizing and decentralizing public service delivery This book provides development practitioners with a wide overview of the key policy and regulatory issues involved in supporting freedom of information and expression and enabling development of a pluralistic independent and robust broadcasting sector Policy regulation capacity and institutional development are important development levers that shape the ownership content and social impacts of broadcasting systems The guide shows the importance of enabling a mix of ownership and uses commonly classified in terms of commercial public service and community broadcasting that serves the public interest With the guidance of this book broadcasting policy and regulation can be tackled as a mainstream development topic with important consequences for government transparency government accountability and enabling disadvantaged constituencies to voice their concerns and press for action This book is the World Bank's first publication presenting good practices from around the world in media and broadcasting policy and regulation and complements existing work in governance public sector reform and access to information It is a useful tool for policymakers reform managers development practitioners and students alike Most books on the state of broadcasting in the third world tend either to lament the lack of governance accountability and competence or to speak down to their readers This book is part of a new generation that acknowledges

ability and a willingness to move forward into the twenty first century with integrity and imagination It is not patronizing and it is certainly not boring It focuses on really useful approaches to setting up sustaining and governing broadcasting systems across the world This is an excellent book whose combination of sound scholarship and intelligent advice will be welcomed by policymakers and broadcasters alike It is relevant interesting and a jolly good read Ruth Teer Tomaselli UNESCO Chair in Communication for Southern Africa Culture Communication and Media Studies University of KwaZulu Natal
