**Medical Coding Study Guide** Speedy Publishing, 2014-11-26 Individuals who are preparing to take medical coding exams should note that study guides can help them earn the competitive score they want. This is the case for several reasons including the fact that these study guides tend to incorporate a lot of helpful material including medical and anatomy terminology reviews, testing techniques for the exam questions that parallel the CPC certification exam, practical examples, review questions designed to test the student's knowledge of important coding concepts and many more. [Medical Coding Speedy Study Guides](#) Speedy Publishing, 2014-07-15 Medical coding is a process where you enter abbreviations on medical charts. A pamphlet can be helpful in learning the words and the abbreviations for those words. The abbreviations can be written on index cards so that the student can study for quizzes. Students learn the medical lingo seen on charts where medical coding is used such as a doctor's office or a hospital.
