The evaluator is hereby tasked with answering the following five (5) questions and providing a reason for his/her answer.*

**Question 1: Is the teacher able to show mastery of the lessons?**

Yes, the teacher was able to show mastery of the lessons she was discussing for that certain class. She was able to handle all the questions of the students and right before she gave an activity to test the student's learning and mastery, she was able to give a comprehensive synthesis of the entire discussion.

**Question 2: Is the teacher able to create an environment that is open and welcoming for the students?**

Yes, the environment of the classroom and the class were very welcoming and open. When the teacher entered the class, she did not immediately start with the discussion, nor did she grill the students about what they learned from the last meeting. Instead, she asked the students how they were and she slowly transitioned to starting the discussion.
