Turkington,2006 Ever wonder who wrangles the animals during a movie shoot What it takes to be a brewmaster How that play by play announcer got his job What it is like to be a secret shopper The new Germanna Road Dr. Peter G. Rainey,2010-06-30 This is a history of the land and the landowners along Germanna Road and connecting roads from the Rapidan River to Wilderness Run The chapters that follow provide the history of the lower end of Orange County especially the Alexandria Tract with particular attention to the land in and around Lake of the Woods My brother asked me Why should I care about the Alexandria Tract My simple answer was Because we are descendants of Alexander Spotswood He got me to thinking about what motivates anyone to write and especially to research and record one s findings for posterity When the English settler came to Virginia he brought his law and his library The concept of land boundaries and personal ownership were foreign until then as was the concept of written records The land records journals and family records of the five generations of Spotswoods their relatives and neighbors that lived on and near the Lake of the Woods area have been preserved but their story has not previously been written Similarly the modern pioneers that came in the late 1960s and later to form the community of Lake of the Woods should have their story preserved Of all the places within a few hours of Washington D C why pick the Wilderness to develop a large lake recreational community The answer to this question cannot be found in any published history of Orange County Why would families sell their home of generations including the family cemetery The simple answer of for the right price is not the only explanation **Little Wonder** Sasha Abramsky,2021-05-26 Masterfully captures the life of this little known sportswoman a versatile female athlete comparable to Babe Didrikson Zaharias Booklist starred review Lottie Dod was a truly extraordinary sports figure who blazed trails of glory in the late nineteenth and early twentieth centuries Dod won Wimbledon five times and did so for the first time in 1887 at the ludicrously young age of fifteen After she grew bored with competitive tennis she moved on to and excelled in myriad other

sports she became a leading ice skater and tobogganist a mountaineer an endurance bicyclist a hockey player a British ladies golf champion and an Olympic silver medalist in archery In her time Dod had a huge following but her years of distinction occurred just before the rise of broadcast media By the outset of World War I she was largely a forgotten figure she died alone and without fanfare in 1960 Little Wonder brings this remarkable woman s story to life contextualizing it against a backdrop of rapid social change and tectonic shifts in the status of women in society Paving the way for the likes of Billie Jean King Serena Williams and other top female athletes of today Dod accepted no limits no glass ceilings and always refused to compromise Eighty five years before Billie Jean King and Bobby Riggs fought the battle of the sexes a Victorian teenager showed what women could do Abramsky celebrates her as a brave and talented and determined original The Atlantic
