for herself and for friends and infuses them with all the beauty and care you would expect from the person Alice Waters called America's next great cooking teacher. As Samin says, Recipes like rituals endure because they're passed down to us whether by ancestors, neighbors, friends, strangers on the internet or me to you. A written recipe is just a shimmering decoy for the true inheritance, the thread of connection that cooking it will unspool. *Good Things* is an essential, joyful guide to cooking and living whether you're looking for a comforting tomato soup to console a struggling friend seeking a deeper sense of connection in your life or hosting a dinner for ten in your too-small dining room. Here you'll find recipes for ricotta custard pancakes, a showstopping roast chicken burnished with saffron, a crunchy, tingly Calabrian chili crisp, super-chewy sky-high focaccia, and a decadent chocolate cake with chocolate frosting. Along the way, you'll also find plenty of tips, techniques, and lessons from how to buy olive oil, check the harvest date, to when to splurge on salad dressing is where you want to use your best ingredients, to the best uses for your pressure cooker, chicken stock, and dulce de leche, naturally. *Good Things* captures with Samin's trademark blend of warmth, creativity, and precision what has made cooking such an important source of delight and comfort in her life.
