Charge-backs

Carrier: When our vendor uses a carrier different from the Medline specified carrier, a chargeback is calculated by subtracting the Medline specified carrier freight charge from the actual carrier freight charge.

Insurance: Do not insure or declare value on any collect shipment unless authorized by Medline. Any declared value surcharge for insurance will be charged back in full.

Freight Terms:

On "Prepaid" shipments, or when a vendor does not conform to the freight terms specified on the Medline purchase order, the vendor will pay all freight and accessororial charges associated with the shipment.

(Note: If a vendor allows the carrier to sign the Bill of Lading based on pallet count, rather than piece count, Medline will not accept responsibility for case count shortages. Permitting a carrier to sign for pallet count, inserting a shipper load and count notation, said to contain (STC), unable to count (UTC) or including a "shrink wrapped skids" notation on the shipping documents places the responsibility for case count shortages with the vendor or the carrier and Not Medline Industries.)

- **Electronic Proof of Delivery (EPOD).** If a vendor's carrier uses an EPOD, the Medline receiving team member must be able to notate over, short or damaged cases within the device and obtain a copy (via
