Reading and Writing in Elementary School Classrooms 4e was well conceived and will only grow in popularity as more and more teachers seek support for the teaching of reading

The book is a great effort on the part of the authors

Professor Lee T Person Ed D Associate Dean for Education Ottawa University

Its clear that these authors know the research know the history of reading instruction and know the classroom

They have a keen sense of how to help the teachers move forward in understanding and implementing good literacy practices by utilizing new insights without being iconoclastic

Professor James Rooks Calvin College

The pedagogical elements of the text are excellent

One of the things I like best about the book is the inclusion of the appropriate activities within each chapter so that students can read about and practice the concepts first hand
