Between Text And Image Updating Research In Screen Translation:

Between Text and Image Delia Chiaro, Christine Heiss, Chiara Bucaria, 2008 This book sets out to establish the state of the art of screen translation and at the same time to underscore the work of scholars following new paths of investigation both in terms of innovative linguistic mediations being examined and pioneering experimental design The volume includes descriptions of sophisticated electronic databases and corpora of audiovisual products for the big and small screen and the rationale behind them Furthermore Between Text and Image also includes a number of cutting edge studies in audience perception of audiovisual products Finally the volume does not fail to ignore examples of original research carried out from both a traditional linguistic viewpoint and from a more cultural perspective P 4 de la couv Words, Images and Performances in Translation Rita Wilson, Brigid Maher, 2012-02-02 **Reception Studies and Audiovisual Translation**

Elena Di Giovanni, Yves Gambier, 2018-06-15 The coming of age of audiovisual translation studies has brought about a much needed surge of studies focusing on the audience their comprehension appreciation or rejection of what reaches them through the medium of translation Although complex to perform studies on the reception of translated audiovisual texts offer a uniquely thorough picture of the life and afterlife of these texts This volume provides a detailed and comprehensive overview of reception studies related to audiovisual translation and accessibility from a diachronic and synchronic perspective Focusing on all audiovisual translation techniques and encompassing theoretical and methodological approaches from translation media and film studies it aims to become a reference for students and scholars across these fields
