Captured For The Fairy King Trilogy Fae Erotica:

Trapped Jessica Lynch, 2020-06 I didn't mean to cross over into Faerie. It was an accident. And now I'm in jail. Fairy jail. It's a thing. When I refused the attentions of a Seelie noble, I earned myself a one-way ticket to Si Cra, the most infamous prison in the Fae Queen's Court. I'm still reeling over the fact that the fae are real. That Faerie is a real place and that there are real consequences to being a human surrounded by the amazingly gorgeous, if also amazingly heartless, creatures in this world. Their cruelty doesn't stop after I'm captured. Turns out I'm the only human in my wing of the prison. And I find out pretty quickly the only female. Ah, crap. Thank goodness for Rys. He might not be the friendliest cellmate, but so long as I don't ask him questions about why he's locked up, he's willing to watch my back. Know what? That totally works for me, especially since I can't seem to keep my eyes off of him. I'm in jail. Falling for another prisoner should be the last thing on my mind. Then again, Rys is a Light Fae. A Seelie. He's one of them. Sure, he might be stuck here with me now, but he used to guard this place. He knows the way out; he just doesn't want to leave. He's got a past. One look at the ragged scar ruining his otherwise perfect fae features, and even I can tell that he's not as innocent as he claims. But no matter how hard I try to get him to see things my way, he refuses to get involved. Just like he refuses to admit that he can sense the crazy attraction brewing between us. It started out as protection, before it blossomed into something more, whether he wants to pretend or not. And when he finally decides it's time for him to break free, I know I'll do whatever I have to to make sure that he takes me with him. *Trapped* is the first book in an exciting new Fae series by the author of *Touched by the Fae*. Featuring a directionally challenged unlucky human heroine, the scarred Light Fae who'd rather stay in jail, and their quest to save Faerie together, well, once they break out of Si Cra, that is. It's also a steamy supernatural prison romance with a bunch of profanity, an attempted sexual assault, don't worry, the guy gets what's coming to him, and is fully intended for adult readers only. *Bound to the Fae King* Megan Van Dyke, 2023-01-31 *Submissive Fairy Tales* Kitty Thomas, 2021-05-18 *Submissive Fairy Tales* is a collection of previously published novellas by Kitty Thomas. *The Auction*, *Awakening*, and *The King's Pleasure*. *The Auction*: Belle Walker lives in a strict society where women are treated as property, sold to the highest bidder soon after their eighteenth birthday. The monsters outside the city have promised to leave them in peace, but one of them is intent on having Belle as his own. *Awakening*: Nerina has lived all her life as a mermaid, fascinated by humans and land, but also repulsed by sex and unable to understand love. Her curiosity gets her captured by a human male intent on awakening her lust and turning her human. *The King's Pleasure*: In the kingdom of Himeros, Abigail is despised for her heritage. Pushed to the fringes of society, she's forced to break the law in order to help feed her family. When a castle guard catches her stealing bread, he intends to cut off her hand for the offense, but the King has other plans. *A Fae's Deception* Joanna Mazurkiewicz, 2021-05-05 Final book in Adult Fairy Tale Romance Series. The corridors of the Seelie court had become so familiar to me that they now felt like home. I knew all of their features and peculiarities like those of the Unseelie court. I knew the walls and what hung on them. I knew the colours they were

painted and I could picture each corridor before I turned the corner I especially loved the one I was standing in and its right wall that I was facing with Darragh by my side It had the most beautiful paintings of all of the Seelie court s past kings Of them all a particular one caught my attention Not because the king had such a beautiful thick mane or because the painting of his silk robe was done to such fine detail that it almost seemed lifelike but the features of his face were so familiar to me that it felt eerie
