A Walk Through the Valley of the Shadow of Death AWESOME, 2015-05-30 This is about a story of a child who comes from a dysfunctional family His discipline was so extreme and with no real help even from the God this kid depended on So with that being the issue in order for this child to find peace and safety for his own life he took to the streets This child had no idea that the streets were filled with snakes and rats He was living as if he was burning his own self at the stake you guessed it was a self sacrifice if you would call it In this book you will find this child in numerous occasions where you might wish you were there to give him some help But the whole time this child has recognized a force that was present with him but yet unseen Through the chapters of this book you may find some inserts of theological attempts to explain some of the phenomenal events However it was done with the greatest attempts not to be religiously hypocritical The story into this kid's life will take you to places and reveal some truths often not spoken of about what goes on behind the wall in juvenile incarceration The mind of the streets and the betrayal of friends or so called friends It also sheds light on how being free regardless of the situation can be peaceful to some Last but not least you'll get to take a novice look at life beyond the veil of what is seen and spoken of by many All the lies told by the media and other false idea of things that some only assume and have no real facts or life experience to prove it
