## **Carmelite Calendar 2014:**

Calendar of Inquisitions Miscellaneous (Chancery) Preserved in the Public Record Office Great Britain. Court of Chancery, Great Britain. Public Record Office, 1916      Historiography and Identity Jens Röhrkasten, Coralie Zermatten, 2017

The Carmelites role as one of the four great mendicant orders was not unchallenged Originating as an association of hermits on Mount Carmel the order experienced a dramatic transformation in the thirteenth century while its name was a reminder to origins which were obscure and its first form of religious life was diametrically opposed to the mendicant ministry In addition the White Friars were unable to find legitimization in a charismatic founder figure unlike the Franciscans and the Dominicans These factors led the Carmelites to create an identity finding their roots with the prophets Elijah and Elisha who appear in texts and were represented in altar pieces and other works of art The ten articles published in this volume address these underlying issues and deal with the order s historiography as well as its regional representation in different phases of its history The authors are historians and art historians some of them members of the Carmelite community who are working as academics and specialise in the comparative history of religious orders Series Vita regularis Orders and interpretations of religious life in the Middle Ages Vita regularis Ordnungen und Deutungen religiösen Lebens im Mittelalter Abhandlungen Vol 68 Subject Religious Studies History      **General Catalogue of Printed Books to 1955** British Museum. Authors the authors were the Nuns themselves of the Carmels that were members of the St Teresa Association in 1990 At that time there were twelve Carmels and each Carmel assumed responsibility for one month Then the Nuns of that particular monastery would write up a quote from one of their Carmelite saints and added their own personal reflection or meditation on that quote So each day is entirely unique filled with the spirit and wisdom coming from those whose entire lives are suffused with the love of Carmelite spirituality
