    1001 Ways to Reward Employees Bob Nelson, 1994-01-01 Why is 1001 Ways to Reward Employees with over 1 4 million

copies in print such an extraordinary bestseller Because a little over ten years ago Bob Nelson took the seeds of an idea and turned it into something indispensable for business The idea That it s not a raise that motivates an employee and it s not a promotion what really sparks a person to perform are those intangible unexpected gestures that signify real appreciation for a job well done Now after having worked with thousands of organizations in the years since 11001 Ways to Reward was first published Bob Nelson presents a second edition packed with hundreds of new ideas and examples of how companies are using rewards and recognitions to boost productivity and keep their valued employees happy Airplane mechanics are rewarded with balloons and pinwheels Another manager calls his employees mothers and thanks them for raising such industrious children There are ideas from the offbeat The Margarita Award to the company wide a quiet room to the embarrassingly simple a hand written thank you note to the wacky the Laugh a Day challenge to the formal a two week promotion to special assistant to the president Each section includes no cost rewards and low cost rewards both public and private making this new edition an indispensable resource for making the person achievement reward equation work

Casing a Promised Land H. Lloyd Goodall,1989 H L Goodall s ground breaking study of what people do with symbols and what symbols do to people explores the lives led by people in organizations His narratives take on the form of six detective mysteries in which the narrator figures into the plot of the intrigue and then works out its essential patterns In the first mystery Notes on a Cultural Evolution The Remaking of a Software Company Goodall looks at the transition of a Huntsville regional office of a Boston based computer software company where the lives and social dramas of the participants reflect the current state of high technology The second essay and perhaps the most insightful The Way the World Ends Inside Star Wars penetrates the various defenses of the Star Wars command office in Huntsville to discover its secrets and surprises Goodall shows how media technology fear of relationships and symbolic images of the future unite into the day to day operations of people who believe they are responsible for the outer limits of our nation s defense Lost in Space The Layers of Illusion Called Adult Space Camp illustrates how a supposedly innocent theme park invites participation in rituals and ceremonies designed to influence a future generation of taxpayers In Articles of Faith Goodall enters a super mall in Huntsville noting how shopping centers provide consumers with far more than places to purchase goods and services How I Spent My Summer Vacation finds Goodall back in an academic environment at a conference of communication scholars where he demonstrates the difficult task of translating cultural understandings from one context to another The Consultant as Organizational Detective offers the sobering message that real life mysteries may surprise even the most accomplished sleuth A concluding chapter Notes on Method and a new autobiographical afterword round out Goodall s penetrating look at our symbol making culture *Building a New Form of Corporate Identity* Motoo Nakanishi,1990 Symbols of America Hal Morgan,1987 Identifies and briefly describes trademarks associated with products banks publishers TV networks film studios trade unions clubs and professional sports teams
