The Caribbean Stephan Palmié, Francisco A. Scarano, 2022-12-22 An illuminating survey of Caribbean history from pre Columbian times to the twenty first century Los Angeles Times Combining fertile soils vital trade routes and a coveted strategic location the islands and surrounding continental lowlands of the Caribbean were one of Europe s earliest and most desirable colonial frontiers The region was colonized over the course of five centuries by a revolving cast of Spanish Dutch French and English forces who imported first African slaves and later Asian indentured laborers to help realize the economic promise of sugar coffee and tobacco The Caribbean A History of the Region and Its Peoples offers an authoritative one volume survey of this complex and fascinating region This groundbreaking work traces the Caribbean from its pre Columbian state through European contact and colonialism to the rise of U S hegemony and the economic turbulence of the twenty first century The volume begins with a discussion of the region s diverse geography and challenging ecology and features an in depth look at the transatlantic slave trade including slave culture resistance and ultimately emancipation Later sections treat Caribbean nationalist movements for independence and struggles with dictatorship and socialism along with intractable problems of poverty economic stagnation and migrancy Written by a distinguished group of contributors The Caribbean is an accessible yet thorough introduction to the region s tumultuous heritage which offers enough nuance to interest scholars across disciplines In its breadth of coverage and depth of detail it will be the definitive guide to the region for years to come Praise for The Caribbean The editors of this volume have successfully assembled a survey of historical and contemporary issues which serves as an excellent introductory text for newcomers to the region as well as a resource for more experienced researchers searching for a concise reference to any historical period Journal of Caribbean History This collection provides

an engaging introduction to the history of a region defined by centuries of colonial domination and popular struggle In these essays readers will recognize the Caribbean as a garden of social catastrophe and a grim incubator of modern global capitalism as well as of people s continuous attempts to resist endure or adapt to it Scholars and students will find it to be a very useful handbook for current thinking on a vital topic Vincent Brown professor of history and of African and African American studies Duke University
