Spanking Emma's young and handsome boss has always taken a special interest in his curviest employee ever since she first came to work for him at the age of sixteen. After Emma loses the order from a very important client, he punishes her as he often has before with a sound spanking. But on this occasion, she settles onto his lap to savor her punishment under his strong hands, only soon to find herself in the throes of a very loud orgasm. When questioned, she is forced to admit that she has always been hopelessly aroused by the discipline her boss administers. Now that all feelings are out in the open, will this day prove a nightmare or fulfill the fantasy she has never allowed herself to believe was possible. **Bigger Girls Do It All**

Yielding Curves: The First Trilogy (A Bundle of BBW Discipline and Submissive Training) Miranda Cruz, 2014-10-05 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations BBWs and alpha males bdsm play discipline crops spanking humiliation multiple partners public sex submission and dominance All characters are 18 or older Victoria has always been curious about the kink lifestyle but her exposure to it with her current partner has been a bit limited But after an eye opening experience with couple acquaintance within the scene Victoria and David apply to become members in the highly exclusive Tremboix Society a BDSM network of the city s most powerful and influential Rather than questionnaires or resumes the Tremboix uses only one metric to assess potential couples the worthiness of the submissive So it is that Victoria finds herself standing alone before a gathering of the city s most powerful and sexually dominant men with only one task obey

Yielding Curves The First Trilogy follows Victoria along the initial steps of her sexual self discovery first at the hands of her partner then on the public stage of the Tremboix Society and finally into the house of discipline established by one of the society s most prestigious members who intrigued by Victoria s charms makes a rare offer to train her personally over the course of a week

Excerpt And you too Deanna My thanks for seeing Victoria in The girl rose and backed towards the door I know you dislike the task he added before she had left But yours is such a warm personality I couldn t think of having the other girls do it in your place when I want our newest guest to feel welcome She blushed deeply at the compliment her eyes fixed on the floor Thank you Master she said softly He nodded in dismissal and she left Slowly as though he could sense my impatience his deep charcoal eyes turned towards me Victoria he said simply I m glad you could come Master I responded eager to try the new form of address He smiled You ve heard that word have you Good We ll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already wet He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You ve been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I m usually such a patient man he went on sliding a finger beneath the strap of my top just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and

controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We ll put these clothes somewhere safe for the week I wouldn t want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight blush rose to my cheeks but I did not break eye contact My God he didn t beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine
