Bahauallah Study Guide:

Study Guide Some Fundamental Spiritual Verities ,1988 **The Baha'is of Iran** Roger Cooper,1991-09-01 The Baha i Faith is one of the world s newest religions Founded in the mid 19th Century its early followers faced persecution at the hands of state authorities Over the next century the Baha i Faith grew both inside and outside its Iranian homeland and presently there are over five million Baha is worldwide The 1979 Islamic Revolution in Iran has resulted in severe repression of members of the Baha i community although the Baha is have never individually or collectively advocated violence They are enjoined by their own ordinance not to participate in politics Persecution reached its height in the early 1980s with attacks and executions of individual Baha is and the destruction of shrines cemeteries homes and businesses In the 1990s persecution has abated somewhat but the Baha is still face enormous problems The Baha is of Iran outlines the history and evolution of the Baha i community and its present perilous position in Iran It provides detailed evidence of the policies being followed by the Islamic government Written with precision and clarity it is essential reading for all those interested in religion the Middle East or human rights as well as followers and sympathizers of the Baha i Faith Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues **Self Study Notes for the Kitáb-i-Íqán** Sohrab Kourosh,2017-01-19 According to Shoghi

in the last years of His stay in Baghd d AH 1278 AD 1862 According to Shoghi Effendi the Guardian of the Bah Faith The Kit b i q n sets forth in outline the Grand Redemptive Scheme of God and it occupies a position unparalleled by any work in the entire range of the Bah literature except The Kit b i Aqdas Bah u ll h s Most Holy Book This current book is a record of the journey that the author has taken through The Kit b i q n over a period of 12 years It is not an interpretation or a critical analysis of the content of the book Neither does it provide any personal opinion It primarily guides reader through a systematic study of the q n while providing some background information on topics raised by Bah u ll h in each paragraph It is called a tutorial as it attempts to simulate as much as possible the tutor tutored relationship in a self paced personal study All the references in the tutorial are sourced either from authoritative Bah materials or obtained from other reliable sources The 290 paragraphs of The Kit b i q n are apportioned for study to 58 chapters The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein Each chapter starts with an introduction that highlights the key ideas Then in a coherent manner background information on the terminologies references and mystical concepts inherent in each paragraph is provided The tutorial covers the 266 topics embedded in The Kit b i q n This second edition of the book which was originally released in 2012 contains many editing improvements and some changes and additions to the content
