fulfilling or seductive as his submission to the mysterious Mr A But their meetings are sporadic and he is desperate for more Tormented by needs he never knew he had and which only Mr A can satisfy he searches the nearby residential areas until he glimpses Mr A through an open window He approaches the house prepared to beg for more only to uncover an unwelcome surprise and reap the penalties and pleasures of his disobedient arrival Learning to Please As much as his master appreciates Richard s inviting submissive body his behavior can leave something to be desired On a morning when Richard oversleeps and goes to his master later than expected his interrogation reveals that he often touches himself after their sessions together when he has not been allowed release His disobedience his master informs him reveals not only that he does not understand what it is to obey but that he does not understand the great pleasure and gratitude that lie within true submission But lest he worry the master is here to instruct him Excerpt Google has deemed this excerpt too explicit to be displayed
