**Heritage and Englishness as depicted in "Downton Abbey"** Lenka Šerešová, 2016-08-23 Essay from the year 2016 in the subject English Language and Literature Studies Literature grade A University of Leipzig Anglistik course Literaturwissenschaft language English abstract Downton Abbey has become without a doubt one of the most popular series in the history of British television Brought to life under the wings of ITV it became a method of preserving history and national identity of Great Britain By watching Downton people not only spend some quality time entertaining themselves they also learn about history of their own country and compare the life of the main characters with their own Downton Abbey is one of the latest examples of a screen genre that flourished mainly in 1980s and 1990s in Britain during the Thatcher years The on screen representation of the past became favourite way how to preserve history and Britishness Thatcher s National Heritage Acts of 1980 and 1983 became some kind of a catalyst for producing heritage films and series For cultural critics the heritage genre was a means for government to create a great heritage industry that would push Britain under the spotlight of international audiences and help develop interest in Britain s tourism Nowadays the heritage films and dramas are easily recognisable It all started with Jane Austen television adaptations by BBC They portrayed aristocratic mansions and middle class homes and examined privileged lives of those living in them Merchant Ivory Howards End and many more followed showing precisely the same things A heritage consumer industry was

formed that sold the past to audiences not only as an experience but also as a product that could be bought and enjoyed. The main purpose of the paper is to discuss the way how the series portrays the remains of a way of life that is no longer lived: the historical setting and characters, the relationship between aristocracy and servants and the impact of historical details that shaped the period and brought significant changes.

*The Wit and Wisdom of Downton Abbey* Jessica Fellowes, 2024-05-01. The collection of quotes and photographs captures the most unforgettable quips, insights and exchanges from the Emmy Award winning TV series. Downton Abbey is loved the world over for its fabulous costumes, beautiful scenery, wonderful characters and intricate plot lines, but what keeps millions of fans coming back time after time is the stellar quality of the writing. With each stroke of his pen, Julian Fellowes delivers yet another cuttingly dry observation from the Dowager Countess, a perfectly timed word of wisdom from Mrs Patmore or a touchingly nostalgic pronouncement from Carson. In *The Wit and Wisdom of Downton Abbey*, Jessica Fellowes has gathered together her favorite quotes from the complete Downton Abbey oeuvre. Covering a wide range of topics from life and faith to hope and disappointment, this collection celebrates the show's most scintillating moments and offers fans an unsurpassed guide to witty repartee.

*Acting in British Television* Tom Cantrell, Christopher Hogg, 2017-09-16. This fascinating text offers the first in-depth exploration of acting processes in British television. Focused around 16 new interviews with celebrated British actors including Rebecca Front, Julie Hesmondhalgh, Ken Stott, Penelope Wilton and John Hannah, this rich resource delves behind the scenes of a range of British television programmes in order to find out how actors build their characters for television, how they work on set and location, and how they create their critically acclaimed portrayals. The book looks at actors' work across four diverse but popular genres: soap, opera, police and medical drama, comedy and period drama. Its insightful discussion of hit programmes and its critical and contextual post-interview analysis makes the text an essential read for students across television and film studies, theatre performance and acting, and cultural and media studies, as well as academics and anyone interested in acting and British television.

*Downton Abbey - A Celebration* Jessica Fellowes, 2015-11-10. Since the moment we first entered Downton Abbey in 1912, we have been swept away by Julian Fellowes' evocative world of romance, intrigue, drama and tradition. Now, in 1925, as Downton Abbey prepares to close its doors for the final time, Jessica Fellowes leads us through the house and estate, reliving the iconic moments of the wonderfully aristocratic Crawley family and their servants as they navigate the emerging modern age. Travelling from Great Hall to servants' hall, bedroom to boot room, we glimpse as we go: Matthew and Isobel Crawley arriving for the first time; the death of Kemal Pamuk; Cora's tragic miscarriage; Edith's affair with Michael Gregson; Mary's new haircut; Thomas and O'Brien's scheming; Anna and Bates's troubles with the law; and Carson's marriage to Mrs Hughes. Alongside this will be in-depth interviews with the cast who have worked on the show for six years and know it so well. Packed full of stunning location shots and stills from all six series of the show, including exclusive behind-the-scenes photography, this celebratory book is the ultimate gift for Downton Abbey fans the world over.
