often heard parents express their gratitude for their child's success due to Ms Posey's teaching comments from a junior high teacher. After the 9th graders took the writing assessment, several of the students commented on how good they felt about their writing abilities that were a direct result of the efforts of Ms Posey's comments from a junior high teacher. Her strategies and writing techniques resulted in 50% improvement, an impressive increase in the scores of resource students for the 9th grade direct writing assessment. This is the highest achievement I've seen in my 30 years of teaching comments from a secondary special education teacher.
