Françoise Heulot-Petit

Dramaturgie De La Pièce Monologuée Contemporaine L'altérité Absente:

Dramaturgie de la pièce monologuée contemporaine Françoise Heulot-Petit, 2011 Des années 1980 2000 la pièce monologuée est très présente sur la scène française Cet ouvrage montre comment ce phénomène artistique trouve sa nécessité dans le besoin d'explorer une forme qui travaille la relation directe acteur spectateur L'autre toujours présent dans la salle l'est aussi dans la parole même du monologueur qui incorpore lui-même une forme d'altérité absente *L'altérité absente ?* Françoise Heulot-Petit, 2003 Le drame se construit autour d'un conflit intersubjectif dans une forme dialoguée qui marginalise le monologue parole transgression solitaire Dans la dramaturgie traditionnelle le monologue marque un arrêt du dialogue en se chargeant de fonctions piques il se présente comme ou résume l'action et de fonctions lyriques Or dans les dramaturgies contemporaines la pièce entièrement monologuée occupe le devant de la scène Si cette multiplication des monologues peut s'expliquer par des raisons économiques pratiques ou personnelles elle peut trouver sa raison d'être dans la nécessité de renouer avec une forme qui met en question la relation spécifique qui lie l'acteur au spectateur De plus le monologue concentre les enjeux de la pièce dialoguée en maintenant un dialogisme Ainsi notre théâtre qui cherche dans la solitude du monologueur la présence de l'autre s'articule selon deux axes D'une part l'autre est présent travers un système d'adresse complexe qui glisse de l'adresse un élément concret vers l'adresse abstraite et qui joue avec la frontière qui sépare le monologueur du public D'autre part la présence de l'autre se trouve réactivée dans le récit qui le met en scène travers le système des paroles rapportées Dès lors le monologue se définit comme un théâtre mental qui habite l'absence du personnage immanente de multiples présences de l'autre fantasmes Ce mouvement dessine malgré l'hétérogénéité des pièces étudiées un tableau du monologue fin de siècle qui met moins en scène un personnage en déroute qu'une voix qui tente de reconstruire une identité qui lui manque par un récit toujours incertain Cette difficulté fait du personnage de la pièce monologuée contemporaine une figure spectrale divisée entre l'immanence de son discours et un passé qui ne cesse de faire retour sans jamais être retrouvé

Dramaturgie De La Piegravece Monologuee Contemporaine Lalterite Absente Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Dramaturgie De La Piegravece Monologuee Contemporaine Lalterite Absente**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
