

Why Invest in Index Funds?

Investing in index funds might not seem all that exciting, but that's the point. It gives you broad exposure to a market/asset that will help ensure your wealth grows over time.

Key point: Investing in index funds gives you the benefits of investment returns of the stock or other market without taking on the individual company risk and having to pay trading commissions related to individual stocks.

Fiscal Policy and Institutional Renovation in Support of Innovative Country Building Jia Kang, 2020-12-06 Since the onset of the twelfth Five Year Plan China has been at the forefront as an innovative nation based on a carefully designed strategy Despite this it can be argued that the Chinese government requires a series of more effective and systematic fiscal and taxation policies This book analyses the status quo and possible optimization of China's fiscal and taxation policies By drawing comparisons with other countries as well as a practical investigation into the lessons China has drawn from elsewhere the author shows how a nation should

make steadily growing and optimized financial investments in science and technology in order to foster the optimum environment for innovation It is shown that institutional innovation should be a systematic project which involves top level design and top down leadership This volume will be a useful reference for students scholars and policy makers who are interested in financial policy *Manual for the Quartermaster Corps, United States Army, 1916* United States.
